

As 2025 comes to an end ...

We have been overwhelmed by the generosity of the people of Pontypridd and surrounding areas throughout the year. Individuals, Churches, Businesses, Schools, Colleges and many more have donated so much to us during 2025, both money and stock. Some make regular monthly cash donations by standing order and some make one off financial donations via our bank account, Paypal or SumUp. We know who some of our donors are, but others don't want any acknowledgement or we don't have any contact details. We want to say a huge "thank you" to you all - known and unknown – we couldn't do what we do without your support. Despite the impression we get from news headlines, you constantly show us that the vast majority of people are generous, caring, kind and compassionate. You have proved this once again throughout 2025. Please know that there are individuals and families in Pontypridd who won't go hungry thanks to your generosity.

A major remodelling project at the Riverside Centre has meant that 2025 has been an interesting year! We have had builders around for many months, but the disruption, noise and dust have all been worth it now that we can see the results and the improvements that have been made. We have a much more welcoming environment for our clients and visitors, and have more opportunities for them to engage with other organisations who can offer help and support with the underlying causes of their financial difficulties. We have the space to allow us to offer everyone a hot drink and a chat with one of our lovely volunteers while parcels are being prepared, and we are

making much better use of the space within the building to help us operate more effectively.

We are grateful for the grant funding from the organisations below and want to extend our thanks to all of them for their support.

We send our very best wishes to you for a happy and restful Christmas and a peaceful and healthy 2026. Our hope is that it will bring about a world that is kinder and fairer to everyone.

Thank You
Wishing you a magical holiday season!
